The Mobile Vehicle Commission's Mobile Unit Returns to North Arlington on July 17

Mobile Unit Provides Easy Access to Motor Vehicle Services Without the Trip to a Local Office

NORTH ARLINGTON – June 19, 2023 – On Monday, July 17, the Borough of North Arlington will once again host the New Jersey Motor Vehicle Commission's (MVC) Mobile Unit to serve local customers.

The MVC unit offers a convenient way for North Arlington residents to handle a variety of motor vehicle needs, including driver's license renewals, veterans license designation placards, registration renewals, boat endorsements, non-driver ID cards and license plate drop-offs. REAL IDs can also be issued to a limited number of motorists by appointments scheduled before 11:30 a.m.

The mobile unit is scheduled to be parked at Borough Hall, 214 Ridge Road, from 10 a.m. - 2 p.m. Preregistration is required. Residents are asked to visit www.njmvc.gov for identification requirements.

“Our May MVC event was very well received. We are pleased to once again be able to offer this convenient service to our residents, and hope to add additional dates in the future.” said North Arlington Mayor Daniel H. Pronti. “This has become a very popular service, as residents are eager to skip the traditional lines in a MVC office.”
