

Pet First Aid (Canine/ Feline)

**Presented By:
Community Safety Consultants**

Course Description: This class will teach you how to assess your pet's illness or injuries. This will help you decide whether the problem is one you can handle at home with First Aid or whether its something the veterinarian should take care of.

Covered in this class:

- Choking techniques
- CPR
- First AID

Dog & Cat manikins will be used by students in class for skills practice. Please dress comfortably, as some of the skills that are practiced will be on the floor.

When your dog goes out do mouth to snout. SIGN UP TODAY!

Date: Sept. 23, 2020

Time: 6:30pm to 9:30pm

Cost: \$60.00
